About Us

Since opening in 1981, we have become one of Sydney's leading providers of community HIV care with a special interest in treatment and prevention, diagnosis and treatment of STIs and LGBTQIA+ health.

In 2002 the clinic moved to its current location on Bourke Street and in 2023 it was purchased by the 407 Doctors group, who also own East Sydney Doctors and Bondi Road Doctors.

We welcome new patients and hope that you enjoy our relaxed and friendly atmosphere.

Clinical Trials

We have been actively involved in Clinical Trials for more than 30 years and participate in research that assists with the development of new strategies to treat or prevent HIV and other STIs. Talk to your GP if you'd like to participate or to learn more about which trials are currently recruiting.
